The Watchtower Bible & Tract Society headquartered in Brooklyn, New York, USA, was founded over 100 years ago by Charles Taze Russell, who had no theological training, but adopted the title, "Pastor". His ideas were strange right from the beginning.

1. Early Watchtower magazines (3/15/1913 & 1/15/1912) reveal that he believed a person's desire to worship God was due to the shape of their brain. He believed that if a dog's head were shaped like a man's, the dog would think like a man!
2. He offered health advice too, believing appendicitis and typhoid fever were caused by "biting worms in the colon".
3. He sold "miracle wheat" at greatly inflated prices. Despite all this, his followers then (and now) believed that he was God's "faithful and discreet slave" referred to in Matthew 24:45 (<https://biblia.com/bible/niv/Matt%2024.45>). After his death, his legacy, the Watch Tower organization became this sole channel for God in the eyes of its followers.

JEHOVAH'S WITNESSES BELIEVE & TEACH

1. THAT Jesus Christ (who is Michael the Archangel in their doctrine) is mediator for only a small, elite, group within their ranks called the "anointed remnant". Others must come to this group who control the organization and earn their salvation by absolute obedience to it.
2. THAT all religions except their's are of Satan, and your Pastor or Priest is under the Devil's control.
3. THAT the Watchtower Society is the only source of truth on earth today, and all churches teach error and will be destroyed at Armageddon.
4. THAT the cross is a pagan symbol of sex worship, and that all buildings or persons displaying the cross are likewise pagan. Jehovah's Witnesses deny that Jesus died on the cross. However, "new light" in the Watchtower Magazine has admitted they are not certain about the cross, but will continue to deny it anyway.
5. THAT no one goes to heaven but 144,000 Jehovah's Witnesses, and your soul will be destroyed if you refuse to join their organization.
6. THAT the Christ child was only an "IT", not a "HE". See the *New World Translation*, Luke 2:16 (<https://biblia.com/bible/niv/Luke%202.16>),17 (<https://biblia.com/bible/niv/Luke%202.17>).

7. THAT Jesus was not the Christ (or Messiah) until age 30, even though their own bible says in Luke 2:11 (<https://biblia.com/bible/niv/Luke%202.11>), "because there was born to you today a Savior, who is Christ the Lord."
8. THAT after Jesus was buried in the tomb, Jehovah dissolved his body into gasses and it disappeared forever.
9. THAT Jesus rose invisibly in three days, so Jehovah had to "materialize" a fake body for him complete with fake nail prints so His disciples would believe it was really Jesus risen.
10. THAT Armageddon and Christ's second coming were foretold to happen in 1874, 1914, 1925 and 1975 by this "non-prophet" organization.
11. THAT when Christ failed to show up in 1914 The Society claimed in later years that He had come—invisibly—of course, and all Jehovah's Witnesses believe this today.
12. THAT Abraham, Isaac, and Jacob etc., were to be back on earth as perfect humans in 1925. The Society built a palatial home for them BUT, when the patriarchs failed to show up, the President of the Society moved in.
13. THAT their light gets "brighter and brighter", allowing for the many changes and "about faces" on their doctrines. Yesterday's error is today's "truth". Often the "light" bounces back and forth from old to new views and back again! Does real light return to darkness?
14. THAT the Watchtower Society and its followers are all prophets of God today and the Governing Body is directed by angels from God.
15. THAT salvation for Society members consists of doing the good works of placing Watchtower books and magazines and winning converts.
16. THAT soon Jehovah God will become a GRANDFATHER and Jesus will be promoted to "EVERLASTING FATHER"!
17. THAT Jehovah God is not omnipresent, but still Almighty. Think! How can this be?

They have NOT BEEN TOLD —By the leadership of the Society

1. THAT when they translated their *New World Translation* of the Bible they deliberately altered almost every scripture on the Deity of Christ, to make him only a creature.
2. THAT the Society used a translation by a SPIRIT MEDIUM, Johannes Greber, to support their rendering of John 1:1 (<https://biblia.com/bible/niv/John%201.1>) with full knowledge that his sources were DEMONIC. Greber was exposed in the Feb. 15/56 W.T. However in 1961 they released a translation based on his occult one then denied they knew what they were doing on page 31 of the Apr. 1, 1983 Watchtower!
3. THAT none of their "translating committee" knew Biblical Greek or Hebrew. No scholars at all.
4. THAT Fred Franz, who for many years headed the Society, perjured himself under oath in Scotland in a court trial, by saying he could read Hebrew, and then failing a simple Hebrew test.
5. THAT the following encyclopedias consider the name "JEHOVAH" to be FALSE Merits Student Enc.; Encyclopedia Americana; The Jewish Encyclopedia; Encyclopedia International, The Interpreters Dictionary of the Bible; The New Catholic Encyclopedia; The Universal Jewish Encyclopedia, etc.
6. Jehovah's Witness's own "Aid" book admits on pages 884 & 885 that "Jehovah" was first recorded by a Catholic monk about 700 years ago!
7. THAT the date 1874 was taught for Christ's invisible presence by the Society until 1929. (See their book, "Prophecy", p. 65. sold until 1941. Also WT. Jan 1, 1924, p. 5.)
8. THAT top executives of the Society have admitted under oath that they forced their members to accept false prophecies or face disfellowshipping and be found worthy of death.
9. THAT true salvation is FREE (Ephesians 2: 8 (<https://biblia.com/bible/niv/Eph%202.%208>) & 9 (<https://biblia.com/bible/niv/Ephesians%202.9>)), and consists of receiving Christ as your Savior. (John 1:12 (<https://biblia.com/bible/niv/John%201.12>), John 6: 28 (<https://biblia.com/bible/niv/John%206.%2028>), 29 (<https://biblia.com/bible/niv/John%206.29>)).

In Summary

1. We find the Watchtower Society practicing their belief that it is proper to deceive people. But they say this really isn't lying. Why? Because the Society has a different definition of lying than most of us. In their book "AID TO BIBLE UNDERSTANDING" under the word "LIE" we read:

Lying generally involves saying something false to a person who is ENTITLED to know the truth....

While malicious lying is definitely condemned in the Bible, this does not mean that a person is under obligation to divulge truthful information to people who are not entitled to it.

Of course it is the Watchtower leaders that decide WHO deserves to know the truth.

This has been an eye-opener for I have been wondering why these people never ask whether you are a Christian or not before offering their reading stuff or what kind of attachment is to their booklets rather than the Bible. I now know. Thanks.

I'm a Christian, reading this, and the beliefs, I'm sorry make no sense. Like Jehovah dissolved Jesus body in gas, and disappeared forever. That. Makes. No. Sense. Once. So. Ever. But, if I wasn't a Christian, or a child, this would all seem somewhat possible.

Denying the truth about Jesus Christ as a God is an Antichrist.

I used to go to their meetings in part because of pressure from my family. This site is right when they say that if you are not one if them in their eyes, you are wrong and evil. I stopped going because of false teachings about demons, it's very simple, if you act evil, you will receive evil, in this religion or another one. I stopped going also because those that are preaching the good and pressured me to go with them, are my worse example. I brought my "sister" to my place of work, and she's been asking forever... How can Christians believe they go to heaven when the bible says no man by Jesus has gone to heaven. God's purpose for humans was to to make the whole world like Eden and fill it with faithful people. Why did that purpose change because of Adam sining ? Jehovah Witness and Roman Catholics are both false. I believe that Jesus, Holy Spirit and the Heavenly Father are God.

1 John 5:7 (<https://biblia.com/bible/niv/1%20John%205.7>) reads:

For there are three that bear record in heaven, the Father, the Word, and the Holy Ghost: and these three are one. THE WORD MANS JESUS. I AM A PROTESTANT.

Amen. There is a very good scripture that showed that Jesus is God :

Hebrews 9:16-17 (<https://biblia.com/bible/niv/Heb%209.16-17>) King James Version (KJV)

16 For where a testament is, there must also of necessity be the death of the testator. 17 For a testament is of force after men are dead; otherwise it is of no strength at all while the testator liveth.

Let the word of the Living God speak for itself.. When i showed to JW they didn't want to keep on talking to me. I am a bible believing born again filled with the spirit of Christ Jesus!

Only problem with that verse is that it's completely different in other translations. For example, the ESV records it this way: "For there are three that testify: 8 the Spirit and the water and the blood; and these three agree." So who is to say which translation is right unless we speak Greek? It's really tough to argue based on Scripture because you cant prove the Witnesses are wrong unless Greek is a common language that everyone speaks.

Why do the JH not believe in blood tranfusions even if the

Sam

THE Bible states you should obtain from blood.Do not consume blood. With that being said,it's not OK to pump blood through your veins. Blood is sacred to Jehovah,it is the life force. Man will say take blood,but God says no.As Jehovah witnesses we follow God's commandments rather than man. Furthermore,several people have died while receiving blood transfusions. So it's not guaranteed, however God's word is.Taking in accurate knowledge,this means everlasting life.

Acts 15:19-21 (<https://biblia.com/bible/niv/Acts%2015.19-21>), 28 (<https://biblia.com/bible/niv/Acts%2015.28>) is the Scripture Jehovah's Witnesses typically point to as the reason they refuse to accept blood donations. Acts 15:20 (<https://biblia.com/bible/niv/Acts%2015.20>) says, "Instead we should write to them, telling them to abstain from food polluted by idols, from sexual immorality, from the meat of strangled animals and from blood." It is clear from the context that the instructions were against eating / drinking blood, not blood transfusions. Blood transfusions were not even possible in Bible times, so there is no possibility that this Scripture could be referring to blood transfusions. There were many pagan religious practices that involved eating... Read more »

(Ps 36:9 (<https://biblia.com/bible/niv/Ps%2036.9>)) Man cannot give back a life that he takes. "All the souls—to me they belong," says Jehovah. (Eze 18:4 (<https://biblia.com/bible/niv/Ezek%2018.4>)) Therefore, to take life is to take Jehovah's property. Every living thing has a purpose and a place in God's creation. No man has the right to take life except when God permits and in the way that he instructs. After the Flood, Noah and his sons, the progenitors of all persons... Read more »

Actual facts can be found at jwfacts.com on their page on blood transfusions. Your arguments are based on the Jehovah's Witness New World Translation bible translation, and I use the term translation loosely, since it was translated without any scholars or historians involved in the translation and no one who knew Hebrew. The Watchtower stance on blood is scripturally inaccurate on several levels: The Rabbinic principle of (please see source below) (appealed to by Jesus at Mat 12:11 (<https://biblia.com/bible/niv/Matt%2012.11>)) dictates that the Law be superseded if it would result in loss of life The Bible refers to eating blood from animals... I think people who are serious should research and deligently study God's word.. to truly understand why Jehovah made certain laws and commandments, to get to know his personality and the real reason he sent his son to the earth. Our life is so uncertain and so short that we cannot began to tell Jehovah what is good and what is bad and what he should do.

Before we get the meat, the blood is food coloring unless the butcher is an orthodox jew

Sam, hey buddy, my mom had a blood transfusion with my brother. i am a Christian and i love Jesus with all my heart, soul, and mind. i would not be alive today if my mom did not get that life saving precious blood. The only blood that we are truly saved by is Jesus blood. U can't tell me i was not meant to be born. i love Jesus to much to be lost because i was born from unsacred blood.

Because the blood tranfusions spreads many diseases thats why we dont do that and moreover the main reason was god given the pattern of human life style to us so we should obey his rules and moreover it is the temporary life living in this world so death was not a big deal we have a new world where we dont get sick or get aged and no death

Thank you Subash, It's amazing how the Bethel Brothers can brainwash over 8,000,000 people to love and respect Jehovah God, his son Jesus Christ and to love your fellow man as yourself and the gift of everlasting life, no more crimes, violent, suffering, sickness or death. What a wonderful life it will be. I would not give it up for no man's opinions. Josephine

They say it's not allowed BUT will take EPO needles. Got news for them, EPO needles contain a small percentage of blood.
